SCARECROW COMPETITION

Over the last month we have launched a village wide scarecrow competition. This is an effort to mix family fun and community involvement with the Show. The competition called on families and groups in Messingham to make all kinds of scarecrows in the run up to the Show. Today we are looking to share all the entries with you and open for a public vote to pick the best winners. Pop over to the craft and marquee tent to see what wonderful scarecrows have been created and pick your favourite.

There will be just two categories of best group / club entry displayed on the Showground and individual residents with all photo entries on a board. Judging will be by public vote with the winners announced at 4pm. In each category there will be rosettes for first, second and third places.

Why is there a £2 car parking charge?

Unfortunately, the field adjacent to the showground is no longer available for car parking as the owner is putting in ponds. Because of this the showground layout has been compressed to allow limited public car parking. Due to a lack of show day volunteers MHFSC is paying a Security Company to manage the public car parking on our behalf. The £2 charge will help pay for the paid help.

Messingham Show has received a welcome financial boost courtesy of minerals firm **Sibelco** who have donated **£500**.

“We’re delighted once again to support the Messingham Show, it’s such a lovely family day out,” said Jas Sangha, Sibelco’s manager at the firm’s nearby sand operation. “It’s never easy staging events like this as one year to the next you never know how the weather will treat you and inevitably a poor turnout can hit ticket sales. If companies like us can provide a bit of guaranteed income it just helps to boost the coffers and to remind the Organisers that the community is fully behind them. We wish them every success and hope the show ground is bursting at the seams.”

Why have Horse Showing Classes and Driving Classes been cancelled?

Because of increased insurance and health & safety requirements MHFS Committee had to review and change the show ground layout in 2017. Two main reasons made this necessary – a minority of the public ignoring safety signs / barriers and walking into horse restricted areas to get to where they wanted to go and a loose horse escaping from its handler / rider.

It was not physically possible to create separate public areas from horse only areas without a new layout being implemented.

To create a free-flowing open showground for the public, show rings, WI / Craft Marquee, Beer Tent, Sponsors Marquee, trade stands, children’s rides, displays, horse box parking, practice rings etc. MHFS Committee made difficult decisions based upon what could safely fit into Holme Meadow.

It was not physically possible to fit in four show rings and so reluctantly some horse classes had to be cancelled. This has since been compound by the loss of the adjacent car parking field and the need to compress the show ground layout further.

Lincs Lotto is a weekly online lottery created to support causes in North Lincolnshire.
